Our Mission

Epilepsy Southwestern Ontario enhances the lives of people who are affected by epilepsy and seizure disorders by providing a network of services that educate, support and build community awareness.

Our Vision

Our vision is a community free of barriers where persons affected by epilepsy and seizure disorders are empowered and supported to live a life of dignity, self-worth and hope.

Our Values

We are dedicated to providing innovative services that are responsive to individual needs.

We are both inclusive and collaborative in our approach to ensure that all individuals with epilepsy will have the opportunity to fully participate in their community.
